In December 1969, a young soldier from New Berlin was gravely wounded by a round from an AK-47 while serving in Vietnam. That day changed the lives of many, many people in New Berlin and beyond. More than forty years of volunteer service to his community, his church and his friends was the change Al Stigler gave to all of us.

We gather together for this golf outing to remember and honor this inspiration known as Al Stigler. Keeping his memory alive, along with helping three of his close charitable causes, is our way of saying thank you to this selfless man.

Join us in supporting the New Berlin Veterans Memorial Society, the Lions Club Camp for disabled children and the New Berlin Soap Box Derby in Al's name.

Share some memories and tell some stories about our friend Al Stigler.
